ENGINEERING BOOKS CATALOGUE 2020-21

Know Us

Trans Infopreneur Inc., is India's premier translation company. Over the past three decades we have acquired extensive experience with editing translations done through professional translators. Given our diversity of experience in information and knowledge dissemination, we have developed digital English writing aids and school workbooks. We are well placed now to distribute books and digital products of leading Indian and foreign publishers.

We are gearing up to bring the change at the grass root level in the Indian education. The development which explains not just about economic or financial but also about the upliftment of the society in terms of sustainability, social equality, environment and civility.

Better with books

Bringing people and knowledge together is our mission. Our focus is to pioneer innovative publications in schools segment, higher education, management, engineering and vocational education. We invite you to revive the love of reading. We have gathered a vast repository of academic and non-academic books.

We are Bookpreneur- Everything related to BOOKS!

1. Finding value

The ongoing process of scouting and discovering new books which can be used by both teachers and students help us to find the right book to fit in the right need in the Indian education system.

2. Increasing value

We are equipped with the entire range of books with a team who can assist you with the exact requirement you are looking for.

3. Get instant delivery

We will immediately deliver the ordered stock to your schools.

4. Our track record

- The books are delivered anywhere on time.
- We service exclusive book needs as well.
- Offbeat books are also available with us.

More than a distributor

On enquiry

Get in touch and let our curator team know what type of books you need. We can curate with your needs and reply back instantly.

On time delivery

Our team can help you with any query about book titles. We provide on time hassle free delivery.

Scaffold

We have raised a platform for principals/teachers to visit us and hand-pick books of their choice from our vast range of educational material that best suits the school syllabus. We will give you a quotation at best discounts.
