# Know Us

Trans Infopreneur Inc., is India's premier translation company. Over the past three decades we have acquired extensive experience with editing translations done through professional translators. Given our diversity of experience in information and knowledge dissemination, we have developed digital English writing aids and school workbooks. We are well placed now to distribute books and digital products of leading Indian and foreign publishers.

We are gearing up to bring the change at the grass root level in the Indian education. The development which explains not just about economic or financial but also about the upliftment of the society in terms of sustainability, social equality, environment and civility.

## Better with books

Bringing people and knowledge together is our mission. Our focus is to pioneer innovative publications in schools segment, higher education, management, engineering and vocational education. We invite you to revive the love of reading. We have gathered a vast repository of academic and non-academic books.

## We are Bookpreneur- Everything related to BOOKS!

### 1. Finding value

The ongoing process of scouting and discovering new books which can be used by both teachers and students help us to find the right book to fit in the right need in the Indian education system.

### 2. Increasing value
